Hello there! If you are new here, you might want to **subscribe to the RSS feed** for updates on this topic. Worst Acorn video yet

If you didn't think ACORN could get any worse after several of their employees (in multiple locations) tried to help a prostitute buy a house, lie to the IRS and run a brothel with underage hookers from El Salvador...you were wrong. It gets much worse. In today's tapes, this ACORN employee gives away the farm ? she names names of politicians she talks to each day plus what bills they are lobbying heavily for (with taxpayer money). Oh, this Acorn employee is also a former hooker herself, who (in this audio tape) admits to killing her abusive husband. Your tax dollars hard at work!
